

# The Fabia GreenLine, tax-free.

Not content with building our most fuel efficient car ever, we decided to go one step further.

Its highly efficient 1.4 TDI PD engine delivers up to 83.1 mpg\* and low CO<sub>2</sub> emissions of 109 g/km and until 30th June we've reduced the price, so it'll be like paying no VAT at all.

That means a saving of up to £1,513.04 off the RRP. The Fabia GreenLine is easier to run, and now it's even easier to buy.
